

Name Louvers (100% Steel)

Product ID Classification 08 10 00.00 Openings (door ways): Doors and Frames

Website www.ngp.com

Manufacturer National Guard Product, Inc. Contact Name Roger Skold
Address 4985 East Raines Rd Memphis, TN 38118 Title technical Director/Inside Sales Manager
Phone 901-546-8105 Email rogers@ngp.com

Description Louvers are installed into the door body with the purposes of allowing air to pass through. Due to the evenly spaced blades of the Louvers, visibility is not a function of the project. However, air flow between one side of the door to the other is an added function of the Louvers over the Lite Kit.

Louvers can be custom ordered to specific sizes. The ranges of sizes of lite kits included in this HPD are 6"x4" / 0.15M x .10M (smallest) to 36" x 72" / .91M x 1.82M (largest). These are typical sizes, however customers can order sizes outside this range. Based on customer orders, the average lite kit size is 25" x 25" / .635M x .635M.

National Guard Products offers powder coating (optional colors) to customers with their louver purchases. Options, such as colored powder coating, are not considered in this HPD.

Release Date 2015-12-08 Expiry Date 2018-12-08 HPD URL https://builder.hpd-collaborative.org/uploads/files/hpds/1385/4019-20151208144533.pdf

The HPD Standard is solely a declaration of product content and direct health hazards associated with exposure to its individual contents. It is not a full assessment of environmental impacts from the life cycle of this product. It is not an assessment of risks associated with actual use of the product. It does not address the potential health impacts of substances used or created during manufacture that do not appear in the final product as residuals, nor substances created during combustion or other degradation processes.

This Health Product Declaration was generated following the requirements of the noted Standard version and is valid for a total of three years after date of issue or three months after a substantive change of product contents occurs. Users should verify that this Health Product Declaration is compliant with the most current version of the HPD Standard. Accuracy of claims made in this Health Product Declaration is the sole responsibility of the listed manufacturer and certifier (if applicable). The HPD Collaborative does not warrant any claim made herein, explicit or implicit. The HPD Standard is an “open standard” developed and managed by the HPD Collaborative, a nonprofit organization. For more information, visit hpdcollaborative.org.

CONTENT IN DESCENDING ORDER OF QUANTITY

All ingredients must be assessed for health warnings against Priority Hazard Lists, regardless of disclosure level.

Priority Hazard Lists and information on the GreenScreen Benchmarks can be found at www.hpdcollaborative.org/hazardlists.

GS: GreenScreen Benchmark; **RC:** Recycled Content, **PC:** Post Consumer, **PI:** Post Industrial (Pre-consumer), **BO:** Both; **Nano:** comprised of nanoscale particles or nanotechnology

Name	CAS RN	% weight	GS	RC	Nano	Role
Hazard A	Warning A					
Hazard B	Warning B					
Hazard C	Warning C					
Hazard D	Warning D					
Hazard E	Warning E					
Notes

NOTES

In an effort to promote further transparency in the marketplace, National Guard Products has also made available a corporate sustainability report and environmental product declarations for all of our Gasketing, Thresholds, and Lite Kits and Louver products. These documents are available at NGP.com for download. Please contact Roger Skold (rogers@ngp.com) for additional information.
