

Hurricane-Ready. Style-Approved.

Introducing our newly hurricane-rated line of lite kits and louvers—built tough to weather the storm and look good doing it. With a component-level Florida Building Code approval, you have the freedom to use any hurricane-rated hollow metal door you choose. Providing superior performance and flexibility over the competition these new kits aren't just a breeze to install—they're a sure thing—engineered to stand up to the worst Mother Nature can hurl your way.

STORM-PRO-HR
