Security Grille Face Plate

For Walls or Doors

INSTALL SECURITY GRILLE

1. Cut out door in accordance with door manufacturers procedure.
2. Install molding or glass stop type material (by others) on one side where security grille is to be mounted.
3. Position security grille and install molding or glass stop type material (by others) on other side to hold security grille securely in place.

FIELD PAINTING: for best results scuff finish with a Scotch-Brite® pad prior to painting.
